

# Helping Hands Volunteer Opportunities

**Lunchroom Hands:** These volunteers pass out hot lunches and assist the children, especially the younger ones, with any needs they have during the three lunch periods. Lunch preparation begins at 11:00; setting out drinks, chips, and food. The first lunch period begins at 11:20 and the third ends at 12:30. You may choose a day that fits your schedule, and you have the option to work every week or every other. Lunch is a great opportunity to say "Hello" to your child. We also need **Lunch Substitutes**. If you cannot commit to a regular schedule, but can cover a day occasionally for someone else, please sign up.

**Copy Room Hands:** Teachers and Administrators have numerous copy projects. Copy hands provide the labor to complete these copy jobs. Copy hands also distribute the Soundings each week. Monday and Tuesday mornings are the times needed for this volunteer position. This is a great way to get to know the teachers and staff. If you would like to be placed on the "Back-Up" or substitute list, please indicate so on the form.

**Library Hands:** Library Hands help shelve and catalog books, assist the students during their time in the library (help is especially needed for the younger students), periodically check out books to students, and help Mr. Straube during Reading Contests. When considering this volunteer position, know that you also have the opportunity to volunteer during your child's library class. If you enjoy books, this position is the one for you!
