**JOIN THE SEA PARENT'S CLUB!**

The Parents' Club coordinates many activities that benefit your child, the staff, and the quality of education at SEA. A few of these activities include:

- Homeroom Coordinators
- Hot Lunch Program
- Helping Hands for Teachers and Staff
- Winter Festival
- Uniform Resale
- Family Picnics
- Teacher Appreciation Activities
- Fundraising Activities
- New Family Ambassador Picnic
- SEA Spirit Shirt Sales

We will meet three (3) times throughout the school year. The Parents' Club is a wonderful way to find out what is going on at SEA and how it impacts your child. It's a great way to share your ideas and talents, and to get involved regardless of your schedule!

Please call either Lori Hudson (407-682-1354) or Marie Gregory (407-322-3028) with any questions.
